WOMEN WANT LARGER SHARE IN SCHOOL INQUIRY

A new row started between the school board members when it was found that the body through which the school board will investigate itself contained only one woman, Mary McDowell.

Mrs. Gertrude Howe Britton protested for the women. William Rothmann, who presented the motion to name the committee as it stands, said no slight was intended. But the personnel of the committee remained the same.

Oklahoma leads in Indian population with 117,607; Arizona next.
